10 Key Attributes of “NAV Manufacturing” (What makes it easy?)

---

---

<b>Attribute</b>	<b>Explanations</b>
1. Real Time	All data is displayed in Real Time. (RTC Alerts)
2. Easy Access	Improve Lookup of data. (Drill Down too.)
3. Reporting	Screen Views and Hard Copy
4. Extend NAV	“New” functionality, with better usability. Cost Control’s Add-on Products for Mfg.
5. Cost Analysis	More access to cost details. Screen and Hard Copy
6. Improve Customer Satisfaction	Must give you information to make decisions. (Vendor Performance, Shipment Performance)
7. Increase Efficiencies	No digging to find answers.
8. Easy to Learn	The features must be easy to learn and easy to use.
9. Training	Training on the new features must be available. “Home Study Class” on DVD.
10. On-Screen Display	This is what it is all about. Status of every task is constantly available to all users. Enhanced Production Order Stats.

---

**Let's start with the four steps of NAV Manufacturing:**

- 1. Product Design (BOM & Router) (Item #1000)**
  - BOM Drill
  - Tree View BOM
  - Item Card Statistics
  - Multi-Lot size view
- 2. Setup Production Orders (Demand Source?)**
  - Forecast
  - MPS (MTO or MTS) or Sales Order (MTO)?
  - Statistics
- 3. Manage the Production Order**
  - Procurement (MRP or Manual)
  - Consumption (RM or Sub Assemblies) (Forward Flush?)
- 4. Finish the Production Order**
  - Post Production to Inventory so you can Ship & Invoice FG (Output Journal or Production Journal)

**Add these tools to make it even easier.**

- Manufacturing Plus w/Mfg Plus Role Center
- Scheduling (10 min)
- Quality Control (8 min)
- Manufacturing Reports Pack (5 min)
- Reports Pack (5 min)
- Tree View BOM Workbench (shown above)
- Mfg Time Entry (request info)
- Engineering Change Management (request info)

**Typical Applications for NAV Manufacturing**

- Mass Production Shops
- Make to a Forecast
- Make to Stock or Stock Levels

**Learning Tools – “Getting Started with NAV Manufacturing” on CD**

**Differences between NAV Mfg, Mfg Plus, NAV Jobs, and Job Manager**

**This session is “Product Awareness”. Please request our Product Catalogue. Do you know how to order? (E-mail Rick)**
