14 Big Benefits of Pre-Recorded Classes

- Your money isn't wasted on a one-time class you may forget. You own the CDs.
- Peace of mind. You don't have to fret if you don't get it the first time. You can re-watch as needed to refresh your training.
- New employees can get all the basics.
- Save Money. Most economical training materials available.
- You are in control. You can learn at your own pace.
- Practice what we preach. Many exercises are provided to reinforce the lectures.
- More control. You can watch individual learning segments at will.
- Become an educated consumer and user. These classes prepare you for asking the tougher questions.
- Learn from the "teaching" experts. Our NAV trainers know how to teach and know NAV.
- Reinforcement: Many learning segments have: Lecture, Exercise, and Answer Key

How to order any of our classes on CD:

1. Print the Order Form on the page 5.
