

Manufacturing Time Entry[®]

For Microsoft Dynamics NAV

Up-To-Date Labor Allocations

Do you struggle with manual Time Cards? Eliminate the clerical effort to accurately enter 50 Times Cards per day with 3 to 5 Job / Task entries on each one. Enable your staff to post their time to a Manager's Time Approved Worksheet. The manager reviews the entries, edits if needed, and then approves the entries for Job Allocation. This granules uses "Web Services" to minimize the cost of multiple Data Collection Stations. Ask us about using "iPads" as the time entry station.

Benefits:

- Your data is always current and accurate
- Works with base NAV Manufacturing or Manufacturing Plus
- NAV does not have to be installed on your PC (DCO License).
- Easy Installation and Setup
- Efficient and Accurate Time Allocations to Production Order / Item / Operation
- Now with option to post Qty. Produced and Scrap Qty.

Mfg. Time Entry

A special entry screen for employees to enter their own Time per Production Order's Operation. Once the entry is Approved, the time moves to the Output Journal for regular posting to the Production Order's Capacity Ledger Entries.
